ABOUT US

Light and Love Center (LLC) was founded in Cambodia in 2020 as a registered local non-governmental organization with an affiliated international network. We now provide services in Phnom Penh, Kampong Cham, Svay Rieng, Kampong Thom, Ratanakiri, Takeo, and other regions. Our services include student dormitories, scholarship programs, language and extracurricular activities, free health services, and home visits.

MISSION & PURPOSE

With a Christian background, we follow the footsteps of our Lord Jesus by helping the needy and serving communities with the love of God.

LLC's charitable services and ministries are our arms of love to bring the needy to the Lord, so that they can receive help and blessings and experience a glorious change in their lives.

OUR WISHES

We hold individual needs and values in high regard. Through various activities and supportive services, we reach out to and care for the needy in our society. We want to help them realize their inherent worth so they can live a joyful, colorful, and meaningful life.

WORLDWIDE CHARITY SERVICES

We have established LLC in various countries to provide different services.

Our global charity services are expanding continuously. We work with affiliates across the globe to gather resources and make site visits. We support the poor, care for the orphans, provide education services to children.
